

DREAMTIME DIVE & SNORKEL

ABOUT DREAMTIME DIVE & SNORKEL

Dreamtime Dive & Snorkel offers exclusive tours to two premium outer reefs on the Great Barrier Reef. Our smaller vessels mean you can enjoy the reef without the crowds, and our Cultural Guides and experienced Marine Biologists enrich and enhance your experience.

Dreamtime showcases the spectacular diversity of corals and rich marine life found at some of the best reef sites off Cairns, and incorporates the world's oldest living culture with stories the Traditional Owners have passed down over tens of thousands of years. Easy access into the water from the custom designed vessel makes this experience perfect for all ages.

Explore the underwater world by snorkelling, join in on one of our guided snorkel tours, Snorkel Experience for beginners or a Snorkel Safari for those comfortable in the water, led by our Marine Biologists and First Nation Cultural Guides. For those a little more adventurous choose to splash out with an introductory or certified dive.
